Clinical Rehabilitation and Clinical Mental Counseling Program
East Central University
Yearly Vital Statistics Report
2020-2021

The Clinical Rehabilitation and Clinical Mental Health Counseling program at East Central University is fully accredited by the Council on Rehabilitation Education (CORE) through October 31, 2023 www.core-rehab.org and through Council for Accreditation of Counseling and Related Educational Programs (CACREP) through October 31, 2023 www.cacrep.org. The CRCMHC Program is required annually to report program outcomes for students and prospective students.

In 2020-2021, there were 46 CRCMHC students enrolled in the fall 2020 and 38 in the spring of 2020. Eleven students graduated from the Clinical Rehabilitation and Clinical Mental Health Counseling Program in 2020-2021. Of the students who graduated from the CRCMHC Program, 100% were employed. Graduates are employed in outpatient counseling agencies, inpatient counseling programs, state and private rehabilitation settings.

Completion rates for CRCMHC Program students is 75 %. Students in the program complete their Master's degree within 3 years if enrolled full time or within 6 years if enrolled part time.

In 2020-2021, Students took both the National Counselor Exam (NCE) and the Certified Rehabilitation Counselors Exam. The pass rate for program students taking the NCE was 62.5%. This was comparable to the national pass rate for this exam. There is no data on students who took the CRC during this cycle due to low participation rate for the exam. The CRCC Commission only collect data if six or more students take the national examination.

The CRCMHC Program student body is 21.27 % male, and 80.85 % female. 6.38% of CRCMHC students are Native American, 4.26 % of program students are African American and 74.47 % of students are Caucasian. Two percent of program students are international students. Due to Covid-10 pandemic none of our students attended any conferences during the reported academic year.
