FIN 1013 Personal Finance	FIN 1113 Financial Literacy
MATH 1483 Functions and Modeling ^	MATH 1613 Functions and Modeling*

Notes:

- ⇒ Articulated using OCCC's A.S. for Business and without a Minor. A Minor is not required.
- ⇒ *The ECU School of Business requires non-accounting students to complete these courses with a grade of "C" or better. Students taking these courses at OCCC planning to transfer to ECU, will need to meet the same requirements.
- ⇒ ‡ Accounting students need to complete the courses with a grade of "B" or better. Students taking these courses at OCCC planning to transfer to ECU, will need to meet the same requirements.
- ⇒ ^ Will be substituted for MIS 1903 Computer Business Applications, COMM 2253 Communication in the Workplace.
- ⇒ A student transferring with an Associate degree in Arts or Science from OCCC fulfills ECU's general education requirement by transferring his or her credit to East Central University. Transferring credit for general education does not eliminate or otherwise affect any of the following ECU requirements: (1) prerequisites; (2) specific requirements in majors, minors, or related work in these areas; or (3) the requirements for teacher certification. General Education equivalencies can be found by referring to either the Oklahoma State Regents Transfer Matrix or the ECU Transfer Matrix. Both matrices can be found at www.ecok.edu by clicking on *Admissions* and scrolling down to *Course Transfer Matrix*.
- ⇒ A student must earn at least 40 semester hours in upper-division courses (numbered 3000 or higher). A course taught at OCCC may equate in content to an ECU 3000-4000 level course, but it will not be counted as part of the 40 hours of upper level courses.
- ⇒ A student must earn at least 60 semester hours, excluding physical activity courses, at a baccalaureate degree granting institution.
- ⇒ A Student must earn at least 124 credit hours that apply to an ECU Bachelor's degree.
