

**2018-19 ANNUAL REPORT**

# THANK YOU!

Each year we appreciate your help. Due to the fabulous alumni, donors, and friends of the university we are able to add to the student experience here at East Central University.

Through your generous donations, we can offer not only scholarship dollars but support for programming all across the campus. This past year alone, we were able to fund almost \$650,000 in student scholarships. Approximately 12% of students at East Central University get this very much needed aid.

Although East Central is recognized as one of the most affordable universities, not only in the state of Oklahoma but in the United States, it is still incredibly expensive to obtain a college degree these days. Your support is needed now more than ever.

On behalf of all of us at the East Central University Foundation: Thank you so much for your generosity and thank you for all you do for ECU!

Very Truly Yours,

**John R. Hargrave**

John R. Hargrave  
ECU Foundation, Inc CEO

Dear Friends of East Central University,

Through the generosity of many and the hard work of the ECU Foundation, Inc., East Central University is thriving.

It's exciting to know that the ECU Foundation was able to award over 450 scholarships this year. There are countless students who need these finances in order to achieve their goals or dreams of obtaining a

higher education degree. That is made possible by many generous donors.

While the ECU Foundation provides a vast array of scholarship opportunities for our students, it doesn't end there. Through the Foundation, trips abroad for our students are possible. Students have opportunities to travel to national competitions and present research papers and posters. Thanks to our generous donors, we are able to offer many different types of learning opportunities for students.

I would like to thank ECU Foundation employees John Hargrave, Buffy Lovelis, Dr. Gerald Williamson and Alisha Crow for their commitment to helping meet the needs of our students and for impacting programs across campus which contribute to the enhanced learning experience for our students.

**THANK YOU FOR THE SCHOLARSHIPS**

# HOW CAN I GIVE?

**THANK YOU  
FOR  
MAKING A  
DIFFERENCE  
IN MY LIFE!**

## **DONORS GIVE TO THE ECU FOUNDATION FOR MANY DIFFERENT REASONS**

- *Repay the investment that others made in them*
- *Give a gift that adds value to the University*
- *Support the ECU family*

Whatever the reason, donor gifts are important to the Foundation and to the University, and we want to make sure that you are aware of all of the different ways that you can donate.

### **Gifts can be at any level and can be used towards:**

- Endowed scholarships
- Academic department funds
- Endowed lectureships/professorships/chairs
- Capital improvement projects

We encourage you to discuss the various methods of giving with your accountant and/or attorney in order to select the giving mechanism which best fits your circumstances. Flexible options allow you to demonstrate your commitment and maximize your support of the University's mission.

# TYPES OF GIFTS

## GIFTS OF CASH, CHECK OR CREDIT CARD

These gifts are always welcome because they are available immediately to strengthen the Foundation and the University or begin earning income for the future.

## GIFTS OF SECURITIES

These gifts include stocks, bonds, mutual funds and IRAs. These are available immediately to impact the work of the Foundation.

## GIFTS OF PERSONAL PROPERTY

Personal property can include coin collections, antique cars, gun collections, artwork, musical instruments, etc.

## GIFTS OF REAL PROPERTY

Real estate, homes, business property and farmland that have grown in value can result in capital gains taxes if sold, or tax advantages are available through a charitable gift to the Foundation. When the Foundation acquires your gift of appreciated stock or property, you receive a tax deduction equal to its fair market value and also avoid costly capital gains tax on the increase in value.

## GIFTS IN-KIND

Donations of software, licenses, services, vendor products, and other property also support the mission and programs of ECU. These gifts in-kind allow the Foundation to use our resources for other needs while you get credit for your support.

# OTHER WAYS TO GIVE

*AmazonSmile is a simple and automatic way for you to support your favorite charitable organization every time you shop, at no cost to you.*

When you shop at smile.amazon.com, you'll find the exact same low prices, vast selection and convenient shopping experience as Amazon.com. Plus, Amazon will donate 0.5% of the price of your eligible AmazonSmile purchases to East Central University Foundation, Inc. whenever you shop on AmazonSmile.

## GIFTS OF TRUSTS

This can include charitable remainder trusts, unitrusts, lead trusts, family trusts, annuity trusts, etc., that can avoid capital gains taxes and provide an annual income for life.

## GIFTS OF INSURANCE

Naming the Foundation as the owner and beneficiary of your life insurance policy is also an option, especially when your policy has a face amount that is much greater than the amount you could afford to give in cash. By assigning ownership to the Foundation and making the Foundation the beneficiary of an old policy that is no longer needed for its original purpose, such as sheltering children's education, you can make a substantial gift at a low cost and take an immediate income tax deduction for the cash value of the policy. You can then contribute an amount equal to the policy's premiums to the Foundation and deduct that gift as a charitable contribution. Proceeds of the policy will pass to the Foundation free of estate taxes. New policies may also be obtained listing the Foundation as the owner and/or beneficiary as a part of financial or estate planning.

# HERITAGE SOCIETY

## WILLS & LIVING TRUSTS

*The will is the most widely used estate-planning tool in America today. A simple document that is easily drafted and updated, it remains the most popular method of planned giving, for almost every charity, including the ECU Foundation. There are five types of charitable bequests you can make when directing all or part of your estate to the Foundation:*

**General Bequest:** an agreed-upon dollar amount.

**Specific Bequest:** a specific, identified property or security, including real estate, stocks, or bonds.

**Residuary Bequest:** all or a portion of an estate's property after all debts, taxes, expenses and other bequests have been made.

**Contingent Bequest:** the Foundation serves as an alternate beneficiary in case a beneficiary dies or disclaims a bequest.

**Restricted Bequest:** any of the above bequests with a specific purpose for the property, such as establishing a scholarship or endowment.

*While a will can be a simple and effective option for many, a living trust might allow assets to be distributed to heirs without the delays or costs of probate. Be sure to consult with a qualified professional before you draft your will or trust and review it often.*

*If you would like to extend your support of the East Central University Foundation to make a lasting impact, there are several gift arrangements to choose from. Whether you would like to put your donation to work today or after your lifetime, you can find a charitable plan that lets you provide for your family and support both the Foundation and East Central University.*

This important group provides the University and the President with access to non-designated funds that can be used to enhance educational experiences and opportunities for students, faculty and staff.*

## CHAIRS, PROFESSORSHIPS & LECTURESHIPS

*ECU's alumni and other supporters have created endowments at the Foundation to help recruit and maintain faculty members and aid the University in other ways in the form of Chairs, Professorships, and Lectureships. The minimum monetary gift for a Chair is \$250,000; for a Professorship is \$125,000; and for a Lectureship is \$25,000. Once these are matched dollar for dollar by the Regents, interest from these gifts benefit the University in perpetuity to assist in academic endeavors and to enhance the academic programs of the University.*
