- ---6 hrs. Minor or Upper Level Elective
- ---4 hrs. Minor or Upper Level Elective 16 hrs.
  
- GEOG 3213 Conservation of Natural Resources
- GECAR 4653 Senior Project
- ---3 hrs. Minor or Upper Level Elective
- ---3 hrs. Minor or Upper Level Elective 12 hrs.

**Total Credit Hours** 62 hrs.

**YOUR FUTURE - YOUR CHOICE**

# Course Equivalency Table

Seminole State College	East Central University
BA 2253 Business Statistics	BSEC 2603 Business and Economic Statistics
CAP 1103 Intro to Microsoft Office	CMPS 1513 Computer Literacy
CS 2013 Programming in C++	CMPS 1113 Computer Programming I
GEOG 1123 World Regional Geography	GEOG 2513 World Regional Geography
PHYS 1214 Earth Science	GEOG 1214 Earth Science

## NOTES:

- ⇒ Articulated using SSC's A.S. for Life Science and without a Minor. A Minor is not required.
- ⇒ A student transferring with an Associate degree in Arts or Science from SSC fulfills ECU's general education requirement by transferring his or her credit to East Central University. Transferring credit for general education does not eliminate or otherwise affect any of the following ECU requirements: (1) prerequisites; (2) specific requirements in majors, minors, or related work in these areas; or (3) the requirements for teacher certification. General Education equivalencies can be found by referring to either the Oklahoma State Regents Transfer Matrix or the ECU Transfer Matrix. Both matrices can be found at [www.ecok.edu](http://www.ecok.edu) by clicking on *Admissions* and scrolling down to *Course Transfer Matrix*.
- ⇒ A student must earn at least 40 semester hours in upper-division courses (numbered 3000 or higher). A course taught at SSC may equate in content to an ECU 3000-4000 level course, but it will not be counted as part of the 40 hours of upper level courses.
- ⇒ A student must earn at least 60 semester hours, excluding physical activity courses, at a baccalaureate degree granting institution.
- ⇒ A Student must earn at least 124 credit hours that apply to an ECU Bachelor's degree.
