## How do I drop a class?

## Click <u>Here</u> to see the current add/drop dates for this school year.

To drop a class online:

**NOTE:** This is done when enrollment is still open for classes. The last day to drop/add a class online is generally the Friday of the first week of the semester.

1. To begin click on Login at the top of the <u>ECU website</u>.

2. Select <u>MyECU</u>.

Login
Blackboard
Faculty and Staff Email
MyECU ·
Password Reset
Student Office 365 & Email Enter entire ema

3. Login into your <u>MyECU</u> portal by using your User Name and Password.

4. Select the Student Tab.

How to drop a class manually:

You may come into the Records Office and fill out a Drop/Add card.

The School of Graduate Studies Office can help you drop the course(s) if you are unable to make it to campus, if you follow these steps:

- 1. Email the School of Graduate Studies at <u>gradschool@ecok.edu</u> the following information:
  - a) Use your student email, other email accounts are more likely to be caught in spam.
  - b) You can copy and paste the following from this page.

Name:
Address:
Phone number:
Student ID #:
Semester/Year:
Course Information (must include: course number, section number, name of course, date and time of course (web) and location of the course):
c) Include all the information requested or your requested may be delayed and we may need to request more information if necessary.

- 2. Your drop will be processed on your behalf. Once completed you will receive an email confirmation.
- 3. Evidence that the class is dropped will be seen on your class enrollment on you MyECU portal within the next 24 hours.
- 4. **If you have missed the deadline** to be able to drop a class, it is not possible for that class to be dropped without the repercussions of that drop. For example, if you miss the date to drop a class with a full refund, dropping the class would result in having to pay partial tuition for that class.
