Graduate Handbook
2025-2026

Revised: 08/15/2025

Graduate Education

Graduate education offers students the opportunity to build upon prior educational achievements to increase knowledge and related skills for career or personal goals. As such, graduate courses assume students possess the commitments and academic skills necessary to approach increased levels of content mastery and application. Correspondingly, faculty will create courses with grading, testing, research and related standards clearly exceeding those reflected in undergraduate education.

Admissions Requirements

Admission to University

Persons desiring admission to the School of Graduate Studies must first be admitted to the University.

1. Complete an ECU Application for Admission/Readmission;
2. Submit one (1) official transcript from each undergraduate and graduate institution attended, other than East Central University.

Admission to the School of Graduate Studies

The School of Graduate Studies processes applications for admission to Graduate Studies. Students may be granted unconditional, conditional, provisional, or concurrent admission status. A student seeking admission to a Graduate Degree Program must complete the following steps:

1. Submit all other credentials required for admission to a specific Graduate Degree Program;
2. Develop a program of study in consultation with an assigned advisor.

Standards for Admission

1. Hold a baccalaureate degree from an accredited college or university.
2. Meet the academic admission requirements for the Graduate Degree Program sought:
 - a. Program GPA
 - All MEd programs require a minimum undergraduate cumulative GPA of 2.5.
 - All other programs require a minimum undergraduate cumulative GPA of 3.0.
 - b. Resume/Curriculum Vita
 - Must include contact information for three (3) references that can speak to your academic preparedness for graduate level work.
 - c. Writing Sample

Admission to one graduate degree program/option does not imply admission to any other graduate degree program/option, nor does it imply admission to any undergraduate degree option.

Unconditional Admission

Unconditional admission to the School of Graduate Studies indicates that the applicant has submitted all relevant documents and met all requirements for admission to the University, the School of Graduate Studies, and the specific Graduate Degree Program.

Conditional Admission

Conditional admission to the School of Graduate Studies may be granted to an applicant who has met all academic requirements for unconditional admission, but has not submitted all documentation required by the Graduate Degree Program. Students with conditional admission may register for

courses for one semester. Students must submit all program documentation and be admitted to the graduate degree program to enroll in subsequent semesters. No more than one semester of credit may be applied to a Graduate Degree Program; time limits apply to these credits.

Provisional Admission

Provisional admission to the School of Graduate Studies may be granted to an applicant who does not meet all the requirements for unconditional admission to a Graduate Degree Program. Students must submit all required program documents and be approved by the Graduate Degree Program to be admitted. When a student admitted on a provisional basis successfully completes all program provisions, the student will be moved to unconditional admission status. Students failing to meet one or more program provisions will be suspended.

Dual Enrollment Graduate Student Policy

A senior student who has successfully completed a minimum of 100 credit hours, may be permitted to enroll in courses applicable to a graduate degree program.

Approval is subject to the following requirements:

1. Senior standing and completed a minimum of 100 credit hours.
2. Students must apply to graduate school.
 - This creates a graduate record, allowing your courses to apply to a graduate degree.
 - Graduate credit hours earned **MAY NOT** be applied toward an undergraduate degree
3. Dual Enrollment Graduate Load Provisions:
 - Fall and Spring Semesters:
 - Students may take a maximum of fifteen (15) hours:
 - Nine (9) undergraduate and six (6) graduate credit hours.
 - or**
 - Twelve (12) undergraduate and three (3) graduate credit hours.
 - Summer Semester:
 - Students may take a maximum of six (6) hours:
 - Three (3) undergraduate and three (3) graduate credit hours.
 - or**
 - Six (6) graduate credit hours.
- No more than six (6) hours in a semester may be applied to a Graduate Degree Program.
- No more than twelve (12) semester hours earned under this policy may be applied to a graduate degree program.
4. Students seeking financial aid should meet with their Financial Aid Counselor before enrolling in both graduate and undergraduate courses.

Retention Information

Overall GPA

Graduate students must maintain an overall ECU graduate retention grade point average (GPA) of 3.0 or higher to remain academically in good standing with the School of Graduate Studies. For more information concerning academic standing within the School of Graduate Studies, please see the full academic policy section of this catalog.

Course Grades

Master's and Educational Specialist (EdS) degree students can earn no more than two (2) C's in their master's degree program to remain academically in good standing with the School of Graduate Studies. Master's students earning a grade of D or F in a course may not count that course toward their master's degree program requirements. Some master's programs have more stringent grade requirements.

Doctor of Education (EdD) students must earn grades of A, B, or P in their coursework. Doctoral students earning a grade of C, D, or F in a course may not count that course toward their graduate degree program requirements. Students will be placed on probation and/or suspension if their GPA falls below 3.0 or if a student earns a grade below a B in any course in the EdD.

Seminar and Pass/Fail Credit Limits

Credit earned in seminars must be germane to the student's degree program and approved by the program director in order to count toward a master's degree. No more than three (3) hours of course work graded as pass/fail may count toward a master's degree. Specific programs may have exceptions for practicums and internships.

Doctor of Education students will take a required fifteen (15) hours of course work graded as pass/fail, which will count towards their doctoral degree. Doctoral students may not transfer, nor substitute, more than three (3) hours of course work graded as pass/fail towards courses other than the required fifteen (15) hours in the program of study.

Certification Courses

Graduate certificates may satisfy some requirements for Licensed Professional Counselor and others. For further information, contact the Dean or Graduate Program Coordinator of the College of Education and Psychology or the Graduate Program Coordinator of the Professional Programs in Human Services Department.

Time & Progress to Degree Completion

Time Limit for Completion of Degree

Graduate credit applied towards a graduate degree must be completed within six (6) years prior to the completion of the degree, exclusive of any time spent in the Armed Forces of the United States of America. Work completed more than six (6) years prior to completion of the degree may not be counted toward the degree but may count toward professional certification.

Progress Toward Degree

Students who have not successfully completed coursework after one year must reapply to the University and the School of Graduate Studies. Students who have not successfully completed course work for two years must reapply to the graduate degree program.

Application for Degree

A student must apply for award of a degree according to the deadline specified by the university for the semester in which the degree will be awarded. (Failure to graduate necessitates reapplication.)

Application for graduation may be found on Colleague Self-Service. For more information about the graduation application process, please see the relevant policy in the full academic policy section of this catalog.

Earning a Second Master's Degree

First Degree From Another Institution

Students with a graduate degree from an accredited institution may complete a subsequent graduate degree at East Central University by completing all requirements for that degree. The subsequent graduate degree must include a minimum of twenty-one (21) graduate credit hours not applied toward any other graduate degree. All credit hours accepted from the first graduate degree must be reviewed and approved by the graduate program faculty and the Dean of Graduate Studies. Only courses with a minimum grade of B will be accepted from the first graduate degree. Students may petition for an exception to this policy in certain situations (such as completion of licensure requirements). All exceptions must be reviewed and approved by the graduate program faculty and the Dean of Graduate Studies.

First Degree From East Central University (ECU)

The second graduate degree must include a minimum of twenty-one (21) credit hours not applied toward the first graduate degree. In the following two scenarios, the programs have been designed so that credits earned while completing the first program can be applied toward the second, while allowing students to remain in compliance with the 21-credit hour rule.

- Scenario_1: School Psychometry (MEd) *followed by* Master of Science in Psychological Services (MSPS) or Education Specialist (EdS)
- Scenario_2: Education Leadership (MEd) *followed by* a Doctor of Education (EdD)

Master of Art (MA)
Criminal justice Administration Program Option: 1070
2025-2026

The Master of Art: Criminal Justice Administration is delivered in a fully online format. This 30-hour program has an estimated residential tuition and fees cost of \$11,400 (www.ecok.edu/bursar).

This degree supports the need for an understanding of the administration and management of criminal justice agencies and organizations. A degree in criminal justice administration trains students to be leaders and administrators in the field of criminal administrative roles in many areas of criminal justice including the following: city police departments, sheriff's offices, state departments of correction, federal law enforcement agencies, and private sector agencies. Specifically, this degree will prepare students for roles as police chiefs, assistant or deputy chiefs, sheriffs, undersheriffs, wardens, deputy wardens, and chief agents of law enforcement entities.

1. Use a multidisciplinary approach to increase students' understanding of leadership in criminal justice agencies and organizations.
2. Produce ethical criminal justice leaders who are responsible and informed decision makers.
3. Cultivate critical thinking skills that are applicable in criminal justice agencies and organizations.
4. Teach students to utilize evidence-based practices in criminal justice, leadership, and administration.

Master of Science in Water Resource Policy and Management (MSWRPM): 1030 2025-2026

The Master of Science in Water Resource Policy and Management is delivered in a mixed format. This 30-hour program has an estimated residential tuition and fees cost of \$12,100 (www.ecok.edu/bursar).

This degree supports the need for advanced understanding of the growing complexity of water issues that face communities in the state, nation, and globally. This degree trains students for leadership in making water policy decisions and prepares students who seek employment within federal and state environmental agencies, environmental non- governmental organizations, international development agencies, industry, and environmental consulting firms.

The program requires students to integrate and synthesize knowledge from multiple disciplines to address the complex challenges of water resource decisions and to develop solutions that are socially acceptable, politically and economically viable, and environmentally sustainable. Students will be broadly trained to undertake careers in managing water resources and in guiding or making water resource policy decisions.
