

Master of Science (MS) Applied Psychology: 1090 2026-2027

The Master of Science in Sport Psychology (www.ecok.edu/gradstudies) is delivered in an online format. This 30-hour program has an estimated residential tuition and fees cost of \$12,400 (www.ecok.edu/bursar).

Applied Psychology will focus on developing enhanced skills in various psychological topics along with research design, data analysis, and critical thinking skills. The curriculum will prepare students to work in various industries, achieve advancement in their current profession, or prepare them for further graduate education at the doctoral level. The design of the curriculum allows students to customize their focus so that they can obtain the psychology knowledge base and research skills that best suits their interests and future aspirations.
