LPC Bridge Pathway: 087D
2026-2027**

The Non-Degree Seeking: LPC Bridge Pathway is delivered in a mixed format. The 60-hour (27+33) pathway has an estimated residential tuition and fees cost of \$11,700 (www.ecok.edu/bursar).

The LPC Bridge Pathway is for students who either: 1) have a Masters of Education (MEd) in School Counseling from East Central University (ECU), or 2) are in the process of completing their MEd in School Counseling from ECU. The 60-hour pathway uses 27-hours from the MEd in School Counseling from ECU and adds 33-hours from approved Licensed Professional Counselor (LPC) classes, which allow students to apply for the LPC examination.

Only a student who has a MEd in School Counseling from ECU is eligible for the LPC Bridge Pathway as this degree is the degree of record for the LPC application.
