

Master in Management (MiM): 1020 2026-2027

The Master in Management (www.ecok.edu/mim) is delivered in a mixed format and only accepts new students in the Fall Semester. This 30-hour program has an estimated residential tuition and fees cost of \$11,500 (www.ecok.edu/bursar).

This program targets students whose first degree is outside a business field or who have a degree in a business field, but would like to enhance their knowledge of business. The program is designed primarily for individuals in one of the following three groups:

1. Students who have just completed a nonbusiness undergraduate degree whose first job prospects would be enhanced with the completion of a graduate degree in management.
2. Full-time employees with a nonbusiness undergraduate degree who are entering or hope to soon enter a management position.
3. Full-time employees who have a business degree but find themselves underemployed or who have not been employed in a management position.
