Thank you for being a part of Tiger Orientation! We are so excited to welcome you to campus and hope this experience helped you begin to feel at home here at East Central University.

As you start your first semester of college tomorrow, take chances, introduce yourself to new people, and get involved in things that interest you. There may be moments that challenge you, but those are often the ones that help you grow the most. Remember that asking for help is a sign of strength, not weakness—we are all here to support you!

Most importantly, believe in yourself. You earned your place here, and you are capable of more than you think. Take it one day at a time, celebrate your small wins, and don't forget to enjoy your time as an ECU Tiger!

Once a Tiger, Always a Tiger.
