Real Estate Certificate
(15 Credit Hours)

The Real Estate Certificate provides students with a foundational understanding of real estate principles, investment, and professional practice. Coursework covers real estate markets, development and investment, professional selling, and legal considerations. An elective allows students to further specialize in accounting, business, or ITM. This certificate complements business-related majors and prepares students for careers in real estate and related industries. *(Curriculum updated: AY 2026-27)*
