Health Assessment

Would you like to reduce your annual medical deductible by \$250?*

All members enrolled in BlueCross BlueShield, including employees, spouses, and dependent children over the age of 18 are now eligible to take a health assessment for a \$250 credit EACH towards the annual medical calendar year deductible! This online assessment is completed through the member's Blue Access for Members, or BAM, account and **MUST be completed prior to incurring a claim that would go towards the deductible.**

Steps to set up a personal BCBS "BAM" account:

Go to: www.bcbsok.com/okheeil/ (also on the back of your medical card)

- In the "BlueAccess for Members" box click on the *Register Now*

Log into your BAM account with BCBS and take the Health Assessment. Each eligible member will have to create their own BAM account and complete the Health Assessment to receive the \$250 credit.

REMINDER: The Health Assessment may be taken anytime during the calendar year. It MUST be taken before a claim is incurred to receive the \$250 credit.

***HSA Enrollees (Plan F): Enrollees are no longer eligible to receive the deductible credit.**

After successfully completing your Health Assessment, your \$250 incentive will show up in your BAM account/Well onTarget/Incentives/History in approximately 10 business days. If you experience difficulties, then call the customer service number on the back of your BCBS ID card: 1-800-672-2567.

Once you have your personal online account set up with BCBS you will be able to access your claims information and *MyPrime* regarding prescription drugs. You will find articles on a variety of health topics and fitness programs, be able to request a new ID card, and find doctors and hospitals on your plan.

FORFEITING FUNDS

Plan carefully! Unused funds will be forfeited back to your employer as governed by the IRS's "use-it-or-lose-it" rule. Your employer has elected to add the \$660 roll-over provision to the Medical FSA. Please see the Employee Guide for more information.

HOW TO ENROLL IN OUR FSA PLAN

Step 1

Carefully estimate your eligible Healthcare and Day Care/Aged Adult Care expenses for the upcoming Plan Year. Then use our online FSA Educational Tools located at <https://fba.wealthcareportal.com/> to help you determine your total expenses for the Plan Year.

Step 2

Complete your enrollment during the open enrollment period, which instructs payroll to deduct a certain amount of money for your expenses. This amount will be contributed on a pre-tax basis from your paychecks to your FSA. Remember the amount you elect will be set aside before any Federal, State, and FICA taxes are calculated.

BENEFITS CARD

The Benefits Card can be used as a direct payment method for eligible expenses incurred at approved service providers and merchants. Using your card allows you instant access to your funds with no out-of-pocket expense. Please keep all your itemized receipts. Flexible Benefit Administrators, Inc. may request documentation to substantiate Benefits Card transactions to determine eligibility of an expense. Benefits Cards are available upon request of the account holder for dependents over the age of 18. Please contact Flexible Benefit Administrators, Inc. to order additional cards.

HSA **fact** sheet: Easy to understand answers to common HSA questions

Here are some of the questions most often asked about healthcare savings accounts (HSAs), along with plain-language answers.

Is an HSA the same as an FSA?

No. An HSA is a tax-deductible savings account that lets you save every year toward healthcare expenses. There's no use-it-or-lose-it rule, and you can grow your account through interest and investments. And it's portable, so you take it with you if you ever leave the company. To maintain an HSA, you must be enrolled in a high deductible health plan (HDHP).

Will I lose the money in my HSA if I don't spend it?

No. There's no use-it-or-lose-it rule with an HSA, so every dollar that goes into it becomes available for your use.

How much can I contribute to my HSA?

For 2025, single taxpayers can contribute up to \$4,300; families can contribute up to \$8,550. Anyone over age 55 can contribute an additional \$1,000.

How does an HSA save me money on taxes?

Three ways:

- You pay no tax on the money you or your employer put into your HSA, up to the IRS limits.
- You pay no taxes on interest and investment returns earned in your HSA.
- You pay no tax on HSA money when you use it to pay eligible healthcare expenses.

When is my HSA funded?

You or your employer can add money to your HSA at any time during the year. There's no enrollment period. Most employees fund their HSAs through payroll deduction.

Who owns my HSA?

You own it outright. If you leave the company for any reason, you own the account, including any interest earned.

What expenses are eligible for my HSA?

Eligible expenses include many out-of-pocket costs not covered by your insurance plan, including copayments, coinsurance and prescriptions. Costs for many healthcare products and services are also eligible.

Where can I get more information about enrolling in an HSA?

Visit our website. It has everything you need to know—including a video library, tools and calculators, enrollment forms and other details.

How does it work?

With Hospital Indemnity Insurance, you'll receive a fixed daily benefit if you have a covered stay in a hospital intensive care unit*, or rehabilitation facility that occurs on or after your coverage effective date. Benefit amounts are listed below and depend on the type of facility and number of days of confinement. Any combination of facility confinement and admission benefits payable includes a limit, please see your certificate for further confirmation. And for a complete description of your available benefits, exclusions and limitations, see your certificate of insurance and any riders. For a list of standard exclusions and limitations, go to the end of this document.

1 When your stay begins

When you are admitted to a covered medical facility, you become eligible for an admission benefit for the first day of confinement. This benefit is payable once per confinement, up to a maximum of 8 admission(s) per calendar year:

Type of Admission	Benefit Amount Low Plan	Benefit Amount High Plan
Hospital Admission	\$600	\$1,200
Intensive Care Unit* Admission	\$1,200	\$2,400

As your stay continues

Beginning on Day 2 of your confinement, for each day that you have a stay in a covered facility, you'll be eligible for a fixed daily benefit payment. The benefit amount and maximum number of days per confinement varies by facility:

Type of Facility	Daily Benefit Low Plan	Daily Benefit High Plan
Hospital (10 day maximum per confinement)	\$100	\$200
Intensive Care Unit* (10 day maximum per confinement)	\$200	\$400
Rehabilitation Facility (10 day maximum per confinement)	\$50	\$100

*An Intensive Care Unit may be referred to as a "Critical Care Unit" in your certificate of coverage. An ICU Transitional Care Unit may be referred to as a "CCU Step-Down Unit" in your policy documentation. Refer to your policy documentation for complete definitions and descriptions of each facility type.

Exclusions and limitations

The standard exclusions and limitations are listed below. For a complete description of your available benefits, exclusions and limitations, see your certificate of insurance and any riders. (These may vary by state and/or your employer's plan.)

- Misuse of alcohol or taking of drugs, other than under the direction of a doctor. Exception: This exclusion does not apply to a confinement in an eligible hospital or rehabilitation facility for the purpose of treatment for alcoholism or drug addiction.
- Elective surgery, except when required for appropriate care as determined by a doctor as a result of the covered person's injury or sickness.
- Riding in or driving any motor-driven vehicle in a race, stunt show or speed test.
