WELCOME COLBI HARGUS!

My name is Colbi, and I am the Family Support Specialist for South Central Child-Care Resource and Referral (SC-CCR&R). I joined SC-CCR&R in November 2024. I hold a bachelor's degree in psychology and sociology from the University of Oklahoma and am currently pursuing a master's degree in counseling.

In my role, I connect families in need to local, state, and national resources, serving as a liaison to provide assistance or coaching as necessary. Looking ahead, I hope to offer free professional workshops on center-family relationships and strategies for supporting families, as well as organize family support events and parenting skills workshops. I am excited to collaborate with you to support the families in your network.
