

A 1.8 TUITION WAIVER PROGRAM

All **full-time** University employees are eligible to participate in the Tuition Waiver Program. Employees must receive approval from their immediate supervisors and Vice President for participation in the program. Additionally, affiliated employees of the University may also be eligible for a tuition waiver.

Dependents

In addition to employees, the waiver may be used by employee spouses and/or dependent(s). The applicant must be a dependent of a full-time employee of the University, a dependent of a vested retiree of the University, a full-time employee's spouse who is not a full-time employee of the University, the dependent of an employee who has died while in the service of the University, or an affiliated organization. (Vested means vested in the Oklahoma Teachers' Retirement System.)

Eligibility of a dependent is based on the IRS-approved guidelines to determine dependent status. For general purposes **"dependent" means individuals over half of whose support for the calendar year in which the taxable year of the taxpayer begins, was received from the taxpayer. You must be allowed by the IRS to legally claim the "dependent" in the taxable year.**
